"Peter's Valentine's Day Greeting"

Follow-Up Observations

1 PETER 4:8

1. I will not go around actively looking for faults in others, but seek to think the best of others.
2. I will not spend my emotional energy lingering over the past flaws of others.
3. I will always stand ready to forgive others.
4. I will not hold grudges or allow myself to be offended- even if I am actually offended!
5. I will periodically "clean house".
6. I will thus live in a manner that will please my Heavenly Father.

Matthew 6:14-15

7. I will bite my tongue rather than spread some fun and juicy gossip.
